Learning Opportunity

Join us every third Monday of the month (with a few exceptions) to play with words! Our time together will be divided between learning a new concept or idea related to orthography (morphology, phonology, etymology) (also known as why we spell words they way that we do) and sharing what we are doing in our classrooms as we work with students to develop their understanding of words and how they are built. These sessions are meant to be collaborative and stress-free. Gather with other educators throughout the province who are interested vocabulary and spelling development.

Registration will remain open throughout the year so it's never too late to join us!
